FLOOR MATS

- Minimizer produces a full line of custom fit floor mats that cover a great majority of makes and models of Class 7 and 8 trucks
- Floor Mat models available in 2-piece, 3-piece, as well as the sleeper cab compartment
- Contact Customer Service or your dedicated Sales Representative to find out what models work best for your needs

FAST FLAPS

101227 / 10001563
Fast Flap Set

Features:

- Spec'd on hundreds of vocational and over-the-road fleets
- Fast Flap brackets are made from stainless steel, heat tempered to spring steel
- ~500 pounds of pressure releases the mud flap without damaging the hanger or the mud flap
- A screwdriver (minimum length of 10") pries the Fast Flaps bar apart, allowing you to insert the mud flap into the gap
- One Fast Flap kit includes everything you need to mount two mud flaps (not included)
